Nolan Lamkin with Tom Wood Powersports kicks off the 2023 season with a 6th and 7th place along with 1st and 2nd place finishes

BRASELTON, GA. - Nolan Lamkin started out his second year racing in MotoAmerica's Stock 1000 and Superbike Cup classes to a positive start at the April 21-23rd event. Lamkin finished in 6th and 7th place in the Stock 1000 races on Saturday and Sunday. Plus, a 1st and 2nd place finish in the Superbike Cup class.

This was Lamkin's first time at the Road Atlanta track in two years and his first time ever racing a 1000cc class bike around the circuit. His 1st and

2nd place has him leading the Superbike Cup Championship points and his 6th and 7th place have him running 6th in the championship points in the Stock 1000 category.

Nolan Lamkin: "It was a great start to the 2023 season at Road Atlanta. We had some growing moments with the bike and were able to come out of the weekend with solid results. I have to give a huge thank you to my crew guys for all of their hard work this weekend. In the first Stock 1000 race, we had to miss the morning qualifying session due to rain, which limited everyone's time on track and had us going into the race semi-blind to the changes we made to the bike from the practice day on Friday. We were able to build from the race on Saturday and going into Sunday, we knocked 10 seconds off our total race time in the second race compared to the first. We have other areas to work on and I am very excited for the next few weeks of training and to kick off the next round in a few weeks in Alabama. I have to give a huge thank you to my partners, Tom Wood Powersports, BMW Motorcycles of Richfield, MN., and Indianapolis, IN., along with R&G, REV'IT!, HJC, and EBC Brakes. I am super excited for the next round at Barber!"

Round 2 of the MotoAmerica championship is May 19-21 at Barber Motorsports Park, near Birmingham, Alabama.
